Comment. Retransfer of units of the IV Arty Corps after the completion of the fall maneuvers of the Eighth Gds Army. Shipments which had previously been reported

25X1

The four trains to Altongratow are rather safely believed to have carried elements of the 10th How Arty Brig returning to their post. The units on the three trains to Brandenburg cannot be identified as corresponding shipments from Brandenburg have not been observed. They possibly carried units of the 34th Arty Div and may have been forwarded to Potsdam.

5.

Comment. Berby as place of destination tends to indicate that the train carried elements of the 323d Engr Bn of the Third Shock Army, returning from the Bittkau training area.

6.

Comment. Elements of the 43d Gds Army Arty Brig of the Eighth Gds Army, which had not participated in the fall maneuvers of the Eighth Gds Army in Thuringia, presumably returned to Altenburg on 18 October.
